ABOUT ME

I am an enthusiastic and dedicated individual with a strong interest in information technology. To enhance my technical expertise, I have completed a comprehensive IT program at HKCT, where I developed proficiency in a wide range of programming languages including Java, PHP, C#, SQL, Node.js, Python, Angular, Dart, HTML, and CSS. Additionally, I acquired foundational knowledge in networking and virtualization technologies, including hands-on experience with VirtualBox and Ubuntu. I am now seeking an opportunity to contribute my skills and continue growing within a professional IT environment
